DATE MAILED: 12/17/2002

Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

✓ Authorization for this examiner's amendment was given in a telephone interview with William Francis on 12/16/02.

The application has been amended as follows:

In the Claims:

1. In claim 22, line 1, change "the circumferential edge" to --the circumferentially continuous edge--.
2. In claim 32, line 1, change "the circumferential" to --a circumferential--.
3. In claim 32, line 3, change "tot he" to --to the--.

Allowable Subject Matter

2. Claims 22-32 are allowed.
3. The following is an examiner's statement of reasons for allowance as stated in paper no. 10:

The primary reason for the indication of the allowability of claims 23 and 22 is the inclusion therein, in combination as currently claimed, of the limitation of the same glass seal bonded to at least two of the pins and the edge of the same opening through the metal wall. This limitation is found in claims 23 and 22 and is neither disclosed nor taught by the prior art of record, alone or in combination.

The primary reason for the indication of the allowability of claims 24, 25 and 32 is the inclusion therein, in combination as currently claimed, of the limitation of all of the pins are received in the housing and the glass seal is bonded to all of the pins and the housing. This limitation is found in claims 24, 25 and 32 and is neither disclosed nor taught by the prior art of record, alone or in combination.

The primary reason for the allowability of claims 26-31 is the inclusion therein, in combination of the limitation of at least two metal collars carried by the flange and each defining one of the through openings having an inner circumferentially continuous edge, each of the collars has one of the pins extending therethrough and one of the glass seal is bonded to each of the pins and the inner edge of the collars in which the pin is received. This limitation is found in claims 26-31 and is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
